Amy,

I responded to Steve to let him know we received this additional information. Please work with modelers to prepare our response.

Subject: SO2 Ambient Air Quality - Labadie Energy Center

Kyra and Mike – Ameren submits the attached information related to the modeling and monitoring characterization for ambient SO2 concentrations in the vicinity of the Labadie Energy Center.

Also note that a hard copy of this submittal will be sent to you via overnight delivery.

Please contact me at your convenience if you have questions related to this submittal.

Best Regards,

Steve
